MYRIAM LERMAN--
exchange student
from
Cordoba, Argentina

Miss Lerman arrived from Cordoba in January to spend a year in Sebring. The Sebring Rotary Club has sponsored her visit and she will be living with four of its members.

Although she has already graduated from her high school in Cordoba, Myriam became an active member of the graduating class of 1966. Among many other activities, she was the Nationalist candidate for City Clerk in the Student Day Election.

Myriam's hobbies include sailing, swimming, sculpturing, reading and writing short stories, playing the guitar, collecting post cards, and volleyball. While here, she hopes to learn to speak our language more fluently.

After her visit to the United States, Myriam plans to attend the University of Cordoba to prepare for a career as a pediatrician.

Myriam points out her country to three of her fellow classmates.

Ninth period and after school everyday from September through November found the seventy-seven members of the marching band hard at work preparing the performances that were enjoyed so much at the football games.

After a disappointing marching season of being rained out of the fair performance and four of the football shows, the concert band began a strenuous rehearsal and performance schedule and the band performed well throughout the season of devotional assemblies, cheer rallies, concerts, and the County Festival.

The Outstanding Marcher and the John Philip Sousa Awards were presented to Charles Garver and the Band Queen at this year's Banquet was Nancy Reichenbach.
